**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

You and I know that having access to information is important. Having cheap, reliable access to the internet is very important to me. I also like to have CHOICE. Please allow competition. Without competition, these ISP can charge whatever they want. I need to have internet access. Even though, I have a graduate degree, I still take online classes. If you do not allow competition, I may not be able to take these online course. Again, please allow other companies to provide their services.
Thanks.
